Testimonials. Age. No one is admissible to the Freshman Class until he has completed his fourteenth year ; nor to an advanced standing without a corresponding increase of age.

Payments. The amount of the first Term Bill must be paid by each student on his admission ; each subsequent Term Bill becomes due at the close of the Term for which it is assessed. If the student enters in advance, the usual fee for advanced standing,—eight dollars and fifty cents per term,—will be required, unless such standing shall have been obtained in another College. A bond in the sum of two hundred dollars for the payment of College Bills, must be given within one Term after admission. The Bills of beneficiaries of Charitable Associations, and of other indigent pious youth preparing for the Gospel Ministry, are wholly or in part paid by the Fund appropriated to that purpose.
